Magic Gardener™

FUNGUS GNAT KILLER

Targeted biological insecticide with proven control of fungus gnats.

Bacillus thuringiensis subsp. *israelensis* strain AM65-52

OMRI-listed | Soil Drench | Granular Formula | 4 oz

Perfect for houseplant enthusiasts!

CATERPILLAR CONTROL

Biological insecticide targeting caterpillar pests.

Bacillus thuringiensis subsp. *kurstaki* (Btk) strain ABTS-35

OMRI-listed | Soil Drench | Granular Formula | 4 oz

Armyworm, box tree moth, and cabbage looper beware.

MYCORRHIZAE FOR FRUIT, FLOWER & VEGETABLE

Fungi that form symbiotic relationships with 80% of plant roots.

Endomycorrhizal Fungi

OMRI-listed | Mixable Clay Granules | 8 oz

For healthier plants with more blooms and fruit.

MYCORRHIZAE FOR TREES & SHRUBS

Fungi that are specially adapted to form relationships with tree and shrub roots

Endomycorrhizal & Ectomycorrhizal Fungi

Granular formula in conveniently pre-measured pods | 20 pods

Faster establishment and improved survivability

BIOFUNGICIDE

A foliar fungicide and bactericide (that actually works).

Bacillus amyloliquefaciens strain PTA-4838

OMRI-listed | Foliar Spray | Granular Formula | 4 oz

Powdery mildew, leaf spot, and downy mildew don't stand a chance.
